

INTER-OFFICE COMMUNICATION

TO Boston Redevelopment Authority  
FROM John D. Warner, Director  
DATE December 4, 1969  
SUBJECT CHARGE OFF OF UNCOLLECTIBLE ACCOUNTS  
WASHINGTON PARK PROJECT R-24

1510  
12/4

The following is a list of vacated tenant's accounts receivable.

This list has been forwarded to our collection agency. They were unable to trace these accounts from the new addresses which we furnished them.

Tracing them through Boston Edison, Gas, and Electric Companies has been unsuccessful on our part. We have also tried to trace them through their places of employment as indicated on their Site Occupancy Card, but to no avail. Therefore, it is recommended that these accounts be written off as uncollectable.
